Mr. K.S. Patwardhan, Pt. Overseer in the Mira canals Dn. states that he has passed the 'A' and 'B' sections of the A.M.I.E. Exam. Mr. Patwardhan states that as such he is eligible for recruitment to the Bombay service of Engrs. just as graduates in Engrg. In his representation Mr. Patwardhan requests Govt. to grant him a higher starting pay of Rs. 132/- as is eligible to graduate overseer In G.R. P. & B. D. No. 206/46 dt. the 29th 1/48 Govt. has recognised the Corporate Membership of the Institution of Engrs. (India) is equivalent to the B.E. degree of the Bombay University for pruposes of recruitment to Govt. service. The question of recognizing the passing of sections 'A' and 'B' is still under consideration of Govt. Remarks from the Jt. Dir. of Tech. Education are awaited. The Jt. has been expedited on 17/9/49.

But I was told with reference to a query recently received from Batliwala Ex. Engr. E Electric Gride That orders have been already passed regarding passing in the section 'A' and 'B' as equivalent to passing to the B.E. (Civil) examination. This may please be verified and put up again.

2. The question of recognizing sections 'A' and 'B' (and not the A.M.I.E.) has been considered and it was decided to obtain the views of the Jt. Dir. of Technical education. The report of the Jt. Dir. is awaited. The D.S. has presumably these papers in mind. So far as office is aware There are no other papers on the subject. In the circumstances the draft at pp. 21-22 c/s may issue, if approved

It has been informally ascertained from the P.S.C's office that sections 'A' and 'B' of the A.M.I.E. have been recognized by this Govt. as equivalent to the B.E. degree for purposes of recruitment under this Govt. and that it was not considered necey. to enter it in appendix 'J' of the S.C.S.C. Rules as such cases will be rare no orders to this effect have however been recd. in this Deptt. perhaps the P.S.C. may see the papers u.s. on the point and the Deptt. requested pl. to furnish this deptt. with a copy of the orders, if issued.

In this Deptt. File No. 826/36 III

The Jt. Dir. of technical Education has agreed with this deptt's view in that passing of sections A and B of the exams. conducted by the A.M.I.E. (and not the A.M.I.E. itself) should be considered as equivalent to the B.E degree awarded by the college of Engineering, Poona. The Dir. has also added that as no academic qualification are prescribed for higher Engineering services, the question of recognizing or not the corporate membership of the Institute does not arise. The paper have accordingly been referred u.o. to the P.and S.D. with a request to modify that deptt. G.R. No. 206/46 dt. 29/1/48

The Jt. Dir. of Tech. Ed. has also intimated I think the passing of the sections 'A' and 'B' according to the revised syllabus only can be considered as equivalent to B.E. we may have therefore to ascertain as to from what year the syllabus has been so revised.

2. With ref. to the C.E's note on the margin of p. 27 of the other part it is explained that the passing of section 'A' and 'B' of the A.M.I.E. examination according to the revised course has been recognised as equivalent to the B.E. (Civil)

3. The revised course has come into effect from the year 1960 The papers deling with the question refd. to in para 2 above have been refd n.o.to the [illegible] for the issue of the necy. orders (File NO. 826/58). It is not however clear from these papers whether M. Patwardhan has passed according to the old or thenew procedure.

4. M. Patwardhan has neither signed his application nor forwarded the same through the proper channel. It is for orders whether any further action need be taken on these papers.

The S.E., D.I.C. has stated that two overseers who have passed in sections A and B sectionexam i-nations of theInstitute of Engrs. (India) according to old syllabus were granted higher starting pays admissible to graduate overseers (Viz. upto Rs. 200 p.m each)

2. In G.R. P/ and S.O. No . 206/46, dt. the 24-10-50 Govt. issued modified orders to the effect that the passing of sections A and B of the examinations conn eh Institute of Engrs. (India) under the new sylla bus only (Which was introduced in 1949) should be consi-dered as equivalent to B.E. degree.

Accordingly the two OVERSEERS REFD. TOABOVE CANNOT be taken as having passed the examination equivalent to B.E. degree, and thus they will not be eligible to a higher starting pay admissible tograduate OVERSEERS.

There isa similar cas in the P.H. Circle also .

3. The S.E. D.I.C. and the P.H.E. have recommended that the higher staYting pay allowed to these Overseers. (as graduate Overseers) may be continued. The request, if granted , may form an awkward precedent. At the same time if the pays of the three Overseers end similar others, w/ho may be in se-rvice, are now revised with retrospective effect, it will cause hardship to the persons concerned.

A via madia appears tobe to refix the pays of the three overseers as diploma holders from the 24-10-50 the date of issue of the P. and S.O. orders and to waive the recovery of excess payment drawn In the linked file, however, the question of recognizing theexamn. of section A and B of the Institute of Engrs. (India) without refc. to the syllabus (old or new) has again been raisedby t he P.S.C. Before discussing the requests of theP.H.E. and the S.E. D.I.C. further, a decision on the linked fil-e may be awaited.

4. Two students from Poona have applied that the con-

Condition stipulated as to passing of sections A and B for the Institute of Engrs. (India) under new syllabus only as equivalent to B.E. degree will cause hardship to those who have passed under the course of old syllabus.

5. The Elecl. Commr. with the Govt. of B'bay has represented the cause of Shri Vibhandik. The Elecl. Commr. states that as the Associate Membership Examns. of the Institute of Engrs. (London) is exempted from passing of sections of A and B of the Institute of Engrs. (India) and as in turn the Federal PUBLIC Public Service Commn. has recognised the passing of associate Membership Examn. of the Institute of Engrs. (London) as equivalent to the passing of sections A and B of the Institute of Engrs. (India) It is evident that Shri Vibhandik has passed the Sections A & B of the Institute of Engrs. (India)

6. The question discussed in para 4 and 5 above will depend upon the main issue viz. whether the pa passing of sections A and B. of the examn. of the Institute of Engrs. India according to old syllabs syllabus may also be considered as equivalent to B.E. degree. As stated in para. 3 above, decision on this point on the linked case may be awaited.

No. 242-A
Bombay Public Service Commission,

Bombay No. 1,
21st. December 1950.

From

The Secretary,
Bombay Public Service Commission.

To

The Chief Secretary to the Government of
Bombay Political and Services Department.

Sir,

With reference to Government Resolution, political and Services department, No. 206/46, dated the 28th Oct. 1950, recognising passing of sections A and B of the Examination of the Institution of Engineers (India) under the new syllabus for purpose of recruitment to Government service, I am directed to state that Government had recognised the passing of Sections A and B of the Associateship examination of the Institution as equivalent to the B.E. degree of the Bombay University as far back as 1946 (vide correspondence sending with Government letter Political and services Department, No. 3184/34 D, dated the 13th December 1946). Since that date the commission have regarded candidates who have passed sections A and B of the examination as qualified for posts requiring the B.E. degree of the Bombay University. In the opinion of the Commission it is not desirable at this stage to make a distinction between those who passed according to the old syllabus and those who pass according to the revised syllabus prescribed in November 1949. They, therefore, suggest that the orders now issued be revised so as to allow persons who passed sections A and B of the Associateship Examination of the

Institution of Engineers according to the old syllabus the same status as those passing according to the new syllabus.

Yours faithfully,

The P.S.C. is of the opinion that the orders issued in G.R. , and P&S.D. No. 206/46, dt. the 24-10-50 may be revised so as to allow the persons, who passed sections A and B of the Associateship Examn. of the Institution of Engrs. according to the old syllabus the same status as those passing according to the new syllabus.

2. The question whether the passing of Sections A& B of the Asso. Examn. of the Institution of Engrs. according to the old or new syllabus was discussed at length vide pl. H.M. P.W.D. 's minute dated the 18-7-50 H/H M. Health's minute, dated the 4-8-50and the Secy. P.W.D.'s note dated the 14-8-50 . The main argument as to why only the examn. according to revised syllabus should be recognised as equivalent to B.E. degree was that the new syllabus (and not the old one) was equivalent to the degree standerd.

3. The papers may be returned to the P.&S.

I am inclined to agree with the recommendation made by the comm. for these reasons:-

i) Uniformity with other States and the U.P.S.C. and avoidance of anomaly in recruitment by say. Bombay state P.W.D. and by the C.P.W.D.(or C.W.I.H.C) in the same area.

II) The number of persons affected is very small and as time passes they would be over age for ordinary recruitment , and none of them at least should become Members of the Institn of the Engrs (India).

iii) Reversal of the practice followedby the comm. since 1947 to date is not advisable. and is likely to cause

hardship in individual cases (as exemplified in the linked case) .

ii) H.M. P.W.D's minutes dt. 17/3/51 concurred in by H.P.M. on p. 17 ante.

The question under consideration is as below The S.E. D.I.C. (in his letter dt. 9/12/50 on p. 29/CS) has stated that two overseers who have passed in Sections A and B of the examination of the Institute of Engineers (India) according to the old syllabus were granted higher starting pays admissible to graduate overseers (viz. upto Rs. 200/- p.m. each under G.M. P. & S.D. No. 206/46 dated 11.1.50. A similar case has been pointed out by the P.H.E. in his letter dt. 30/22/50 on p. 41./Cs.

In G.R. P. & S. D. No. 206/46 dt 24/10/50, Govt. issued modified orders to the effect that the

passing of sections A and B of the examination o f the Institute of Engrs.(India) under New syllabus only should be considered as equivalent to B~~E~~E B.E. Degree. It will be noticed from copy of its letter No. 242/A dated 21/12/50 on p. 13 ante that the B.P.S.C. had again raised the similar queste tion and was of the opinion that the orders in G R. P.& S.D. No. 206/46 dt. 24/10/50 may be re- vised so as to allow the persons who passed ~~see~~ sections A and B of the examination of the Insti- ~~tute~~ tution of Engrs. (India) according to the old sy- llabus, the same status as those passing according to the New syllabus. Upon this, it will be noticed from the minute of H.M.P.W.D. dt. 17/3/51. ante that the recognizion of the sections A and B of the Institute of Engineers (India) as equivalent to B.E is allowed from the first exam. under the new syllabus only.

But a via meda to refix the pays of the three Overseers (pointed out by the S.E.D.I.C. and P.H. E.) is suggested bu P.W.D. at 'A' of its note on p.11 ante and is concurred in by H.M. P. W.D. it is to refix the pays of these overseers as diploma holders from 24/10/50, the date of issue of the P and S.D. order to waive the recovery of excess payment drawn.

Before any decision is taken, P. &. S. D. may be requested to show to this Deptt. their fi le No. 206/46 13889/1690 referred on p.~~117~~ 17 ante where in the revised decision has arrived at. It may also also show us the pps/ underlying the G.R. P. & S.D No. 206/46 dt. 11/1/50 and dt. 24/10/50

To

The Secretary to Government of Bombay.
Public Works Department, Bombay.

Subject:- Eligibility of candidates who secure a the A.M.I.E. Examination. (Sections A&B) to the Bombay Provincial Service of Engrs.

Sir,

I am a Diploma holder in Civil Engineers from the College of Engineering, Poona and a permanent Overseer in the Nira Canals Division, in the Deccan Irrigation Circle, I have passed the D.C.E. Examination in the year 1944 and put in 5 year service in the Department. I have successfully passed the 'A' and 'B' sections of the A.M.I.E. Examination this year and intend appearing for the section 'C'(ORAL paper) shortly.

We understant that by passing the above examinations I am likely to be eligible for recruitment to the Bombay Service of Engineers just as graduates in Engineering (i.e. B.E. Civil), when Government takes a decision on the proposals made by Shri G.D. Daftary, M.I.E., Chairman at the 27th Annual Session of the Institute of Engineers at Bombay Centre on 10th January 1949 and promised to be considered by Dr. Guilder Minister for P.W.D. (Vide excerpts from the Journal of the Institute of Engineers (India) (attached).

I may state for the information of Government that the Federal Service Commission, New Delhi, has recruited Messrs. Abhyankar and Agarwal, who are my confrers and passed the 'A' and 'B' sections only of the A.M.I.E. Examination, for the Class I Service of Engineers, Central P.W.D. (War Academy at Khadakwasla) .

I would therefore request that before I submit

my application to the Public Service Commission when the posts will be advertised and pending my recruitment to the B.S.E. Service, I respectfully request that I may be allowed the higher starting pay admissible to B.E. (Civil) Overseers, viz. Rs. 132/- in the prescribed time scale of pay, on the strength of my having passed the above mentioned examination.

Thanking you in anticipation.

"Recognition of the Institution examination:-

Before I conclude, I would like to bring one or two points to the personal notice of the Hon'able Minister who is in-charge of the P.W.D. Bombay. The first one is that we are thankful to the Government to Bombay for Institution for the prupose of recruitment to their Engineering services. I hope that in conformity with the Government of India and other authorities like Railway Board, it will recognise the passing of the sections A and B of the Institution examination as equivalent to a University degree in Engineering and the Corporate Membership for recruitment to higher Engineering Service. The Institution has already represented that the revised syllabus of the Institution has been brought upto date with syllabus of allied institutions in other countries",

"Recognition of the Institution examination.

Regarding your request to recognise the passing of Sections A and B of the Institution Examination as equivalent to the University degree in Engineering for the purpose of recruitment to Services, I would say that the matter is being examined sympathetically and I except a decision would soon be reached in the matter."

LETTER.
No. D/239

Deccan Irrigation Circle,
Poona 1. 9th December 1950.

To

The Secretary to the Govt. of Bombay.
Public Works Department, P.W.D.

(Through the Chief Engineer, P.W.D.)

Subject:- Sections A and B of the Examination of the Institution of Engineers (India) Recognition of- for the purpose of recuritment to Government Service.

Reference: Government Resolution, Political and Services Department No. 206/46, dated the 24th October 1950

2. I have to state that there are two cases of permanent Overseers in this Circle who have passed in Sections A and B of the examinations of the Institution of Engineers (India) and were granted higher pays equivalent to those admissible to the holders of the B.E. degree from 11.1.50, respectively in accordance with the orders contained in Government Resolution, political and services Department No. 206/46, dated the 11th January 1950 The Modified orders have raised the question whether the higher pays already granted are to be withdrawn and recoveries are to be made from the two Overseers.

3. It is, therefore, strongly recommended tht these amplified orders may please be made applicable to only those who would pass sections A and B hereafter and not to those who have already passed and have been given higher pay according to existing orders.

4. orders are requested.
